**For leave of absence and reinstatement**

Open the Current Students dropdown menu and choose *Forms*

You must submit an on-leave form for each term you do not attend or take classes. The deadline for submission is the last day of registration for each term.

**For the academic year 2010-2011 the dates are: fall (10/6/2010), winter (1/12/2011), spring (4/6/2011)**

When you are ready to begin taking classes after your leave, you much submit the permission to re-register form.

**For Graduation**

You will need to apply for graduate at the beginning of your last term. Open the Current Students dropdown menu and choose *Graduation*. Click the application link.

If you wish to apply for a *master's degree*, [click here to begin the process of Application for Advanced Degree](#)

This process involves an exit interview, so plan to spend a few minutes. You will be submitting a Terminal Project – not a thesis. There are very strict dates for submission and failure to meet those are very costly. Check the deadline link under the current student dropdown menu to ensure you meet the deadline. If you do not meet the deadline and have to graduate the next term; you are required to pay tuition for that term.
